GAME SCHEDULES

Each league will have specific scheduling guidelines; however, McAllister Park Little League attempts to have every team play one game during the week (Monday thru Thursday) and one game on the weekend (Friday or Saturday). Games will not be scheduled on Sundays. Sunday games are only played as necessary due to unforeseen circumstances, like rain. Weekday games typically start by 5:30 pm. We plan to end the regular season by the first Saturday in June. Post season play may extend past this date. **ALL GAMES PLAYED AT THE NEW UPPER COMPLEX.**

15-16 SENIOR BASEBALL

This division is for players attending **High School**. The league is scheduled around the high school JV baseball season. This league is structured so that non-high school baseball players may begin play by the end of March and then teams are redrafted and a second regular season starts after the JV high school season is complete in mid April.
